**PARENTAL CONSENT FOR USE OF STUDENT PHOTOGRAPH, VIDEOTAPE OR OTHER IMAGES**

Sometimes photographs, videotape or other images of students are taken during school activities by the Stroudsburg Area School District or under its direction. These are then presented beyond the school classroom in various school-sponsored media, including photographs, videotape productions, newspapers, television programs, brochures, handbooks, programs, and Internet and Online web pages. As you know, students benefit in numerous ways by taking part in creating media publications and by displaying their pictures. At the same time, in some cases, parents or students could feel that portraying their image could be harmful to them.
